A stylized, handwritten signature in white ink, appearing to read 'Matina B'.

ABOUT

ME

My name is Matina Bampa and I am a Graphic Designer just starting up. I recently relocated from Athens to Brussels, seeking to get insights into another cultural environment and improve myself professionally and educationally.

What intrigues me?

I am conscious of the creativity around me, sometimes drawing inspiration from even the simplest daily activities. My biggest stimulation comes from art, cartoon movies and fashion which I incorporate in my work.

This portofilio is a collection of my personal projects created with my love and passion for all aspects of graphic design.

My knowledge on Design Software:

Excellent knowledge of Photoshop & Illustrator.

Good knowledge of Indesign, Premier pro, Dreamweaver & the Wordpress platform.
